

kastle:Person

kastle:hasInterest

kastle:Interest

```
graph LR; A[kastle:Person] -- kastle:hasInterest --> B[kastle:Interest]
```

The diagram illustrates a directed relationship between two entities. On the left, a yellow rectangular box contains the text 'kastle:Person'. A horizontal arrow points from this box to a second yellow rectangular box on the right, which contains the text 'kastle:Interest'. Above the arrow, the text 'kastle:hasInterest' is written, indicating the property or relationship connecting the two entities.
